RE: Invitation to the 2nd International Symposium on Anti-Bacterial Cell Wall Lytic Enzymes “The Lysin Meeting”

Dear Colleague

I am pleased to invite you to the 2nd International Symposium on Anti-Bacterial Cell Wall Lytic Enzymes “The Lysin Meeting” being held on November 6, 7 & 8, 2018 at The Rockefeller University in New York in the United States.

The Lysin Meeting is the second conference on lysin therapeutics and alternatives to antibiotics. This intimate symposium is bringing together leading scientists focused on the use of lysins in a variety of applications. Keynote speakers will include pioneers of novel approaches in their respective areas.

This 2 ½ day symposium has limited seating, so early registration is recommended. To register and/or get further information please visit www.thelysinmeeting.com

This is sure to be an informative event and we would be delighted to have you present at the symposium and hear what leading scientists have to share about the impact on this field and their advancements.

We look forward to your confirmed presence at “The Lysin Meeting”.

Respectfully Yours,
Drs. Vincent Fischetti
